

CALL FOR ABSTRACTS

SUBMISSION DEADLINE 30th May 2023

WHO CAN SUBMIT AN ABSTRACT?

Submission is free and open for Beauty Cluster members, Universities, Technological & Research Centers, Event exhibitors and other R&D institutions.

GENERAL GUIDELINES

The organization of the V Barcelona Perfumery Congress welcomes any scientific abstracts related to olfaction science & health, applied technology, industry innovations (in the fragrances, essences, and perfumery sector), packaging, sensory perception, or related scientific proposals. Abstract submission must be done by [the link provided by the organization](#), in English, and the text shall not exceed 2000 characters in length. Favorably evaluated abstracts will have the chance to present the research/innovation at the Congress with an oral presentation (in English). Non-selected abstracts will not be included in the conference program.

EVALUATION

Submitted abstracts will be evaluated by the Innovation Department of Beauty Cluster, the steering committee together with the Essence and Fragrances Commission composed by professionals in the fragrance sector. The following criteria will be applied in the selection process:

- Novelty of the technology/research/innovation
- Scientific reliability
- Development stage
- Adequacy of the topic within the frame of the Congress
- Order of submission

After evaluation, the organization will contact you via the email facilitated in the submission form. Selected abstracts will receive an invitation to the event for self-use (author of the research/innovation) or for another person from his/her group.
