

29TH TCI GLOBAL CONFERENCE **2026**

CÓRDOBA, ARGENTINA
27-30 OCTOBER 2026

FROM COLLABORATION TO IMPACT

Clusters and Ecosystems Driving Transformation

TCI NETWORK

About TCI Network

TCI Network is the leading global network of people and organizations working in clusters and collaborative ecosystems around the globe.

Guided by its vision to advance thriving, sustainable clusters and innovation ecosystems worldwide, TCI Network brings together people, organisations and regions with experts, practical knowledge and capabilities to address economic, social, and environmental challenges.

About the TCI Global Conference

The TCI Global Conference has consolidated over 27 years as a key international platform for discussing global trends on clusters and innovation ecosystems, exchanging collaborative experiences, getting inspired, and engaging in the global cluster conversation. It aims to be a forum to create progress in the practice of cluster development, regional competitiveness, and innovation support.

Every year, we organize our flagship event in an outstanding city gathering 200-300 cluster practitioners from around the world. This includes international experts from government and development agencies; cluster initiatives and corporations from strategic sectors; top researchers and academics; as well as representatives from multilateral organizations.

October 27–30, 2026
Centro Cultural Córdoba - Córdoba, Argentina

Five questions, one convesation

1	**Talent & Leadership**	Who is driving the transformation?
2	**Technology adoption**	How are clusters adopting technology in practice?
3	**Capital & Investment**	How is transformation financed and scaled?
4	**Territory Attractiveness**	How do territories stand out?
5	**Governance & Impact**	What governance models make transformation possible?
