Hall 1 Stand E30

bbernabeu@bonpilates.com

www.bonpilates.com

BonPilates designs and manufactures professional Pilates equipment in Alicante, Spain, combining advanced engineering with Mediterranean craftsmanship.

Founded in 2008, the family-owned company supports studios and instructors worldwide with precision-built, durable and customizable equipment.

Its portfolio includes reformers, cadillacs, chairs, barrels and accessories, available in aluminium or premium wood finishes.

With in-house production, a dedicated innovation lab and a strong service mindset, BonPilates delivers high-performance solutions trusted in over 60 countries.

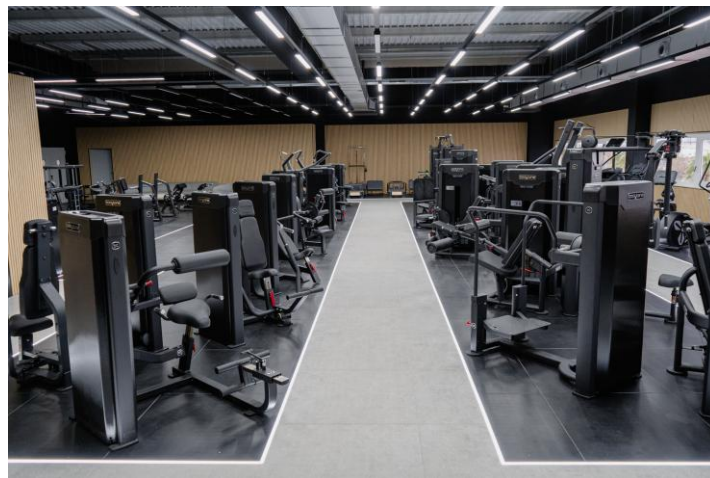

Hall 7 Stand D36

info@bodytone.eu

www.bodytone.eu

We have been outfitting gyms worldwide for over 25 years, with a presence in more than 80 countries. We design and manufacture high-quality strength, cardio, and HIIT equipment, prioritizing performance and user comfort.

Our commitment to innovation and durability ensures the best training experience, helping fitness professionals and businesses thrive with cutting-edge, reliable fitness solutions.

The Spanish brand Elina Pilates, a global leader in the reformer Pilates sector, has 20 years of experience in manufacturing and distributing high-quality equipment, such as pilates Reformers, pilates chairs, ladder barrels, pilates mats, and all types of small Pilates accessories.

It offers different machine concepts suitable for studios, homes, and sports centers, making Pilates accessible to all users.

Top professionals recommend Elina Pilates for its high quality and reliability

Hall 1 Stand D30

info@elinapilates.com

www.elinapilates.com

Spanish company with over 30 years of experience as an advisor, designer, and distributor of top-of-the-line fitness equipment for sports facilities, offering the widest range of professional equipment on the Spanish market.

We operate our own factory at our headquarters in Jaén, and we also provide high-quality, Spanish-made flooring solutions. Our 1,000 sqm showroom allows customers and distributors to experience our machines firsthand.

This year we are exclusively presenting a new training line, and innovative flooring design - don't miss the chance to try it!

evergy

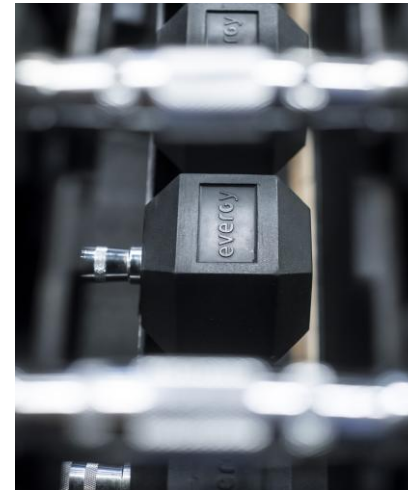

Hall 6 Stand D69

maria@thomas.es

www.evergyfitness.com

We take fitness to the next level with equipment that offers a global, unique, and accessible solution. Our approach combines deep industry knowledge, exceptional design, and an unbeatable quality-price ratio.

Evergy is a leading fitness equipment brand offering innovative solutions, thoughtful design, exceptional service, and great value for money. Visit our stand to discover new things.

Hall 7 Stand A20

afsl@aerobicfitness.com

www.aerobicfitness.com

Aerobic & Fitness is a Spanish company specialized in professional fitness equipment and functional training solutions. We design and distribute products for gyms, boutique studios, rehabilitation centers and home fitness.

Our portfolio includes strength, functional, Pilates and recovery equipment, featuring our own brand O'Live as well as international partner brands. We focus on innovation, durability and performance to support training professionals worldwide

Hall 8 Stand D47

jmiranda@keya.cat

www.keya.es

KEYA is a Spanish manufacturer of mechanical and electronic locking solutions for furniture and lockers, combining over 60 years of industrial expertise with proven reliability. Designed and manufactured in Barcelona, our solutions integrate robust engineering with advanced access technologies such as RFID and NFC, delivering secure, intuitive, and adaptable locking systems for demanding shared environments.

Our products are developed for sectors including fitness and wellness, offices, education, and healthcare, where durability and ease of use are essential. With extensive experience in shared-use applications, KEYA develops user-oriented solutions that simplify access management, optimise operational efficiency, and ensure consistent, long-term performance in intensive-use environments worldwide.

Hall 8 Stand D12

sales@ojmar.com

www.ojmar.com

We are pioneers in fitness technology solutions, combining efficiency, innovation and sustainability. At the forefront of sustainable smart locks, we specialise in batteryless solutions that redefine efficiency and environmental responsibility.

At this year's exhibition, we proudly present the OTS 40 Batteryless—the world's first online RFID + NFC batteryless smart locker lock, which enables central locker management without batteries or hardwiring. We continue to lead the way in sustainable locking solutions.

SALTER

Hall 6 Stand B12

pablo@salter.es

www.salter.es

We are designers and manufacturers of fitness equipment from Barcelona, Spain. We have a wide range of products for fitness clubs, hotels, medical and retail.

We introduce MOTRAK, a range of strength training equipment with electromagnetic motor. Including a 16" touchscreen, 8 working modes, strength test, and connection to our FIT RECORD® APP

We will also show some other ranges of commercial products: FENX cardio, ESSENCE CONNECT strength, both with touchscreen and also connected to FIT RECORD® APP, and the MAX PLATE plate loaded range

RUSTER[®]

Ruster Fitness is a company specialized in the design, manufacturing, and commercialization of professional fitness equipment.

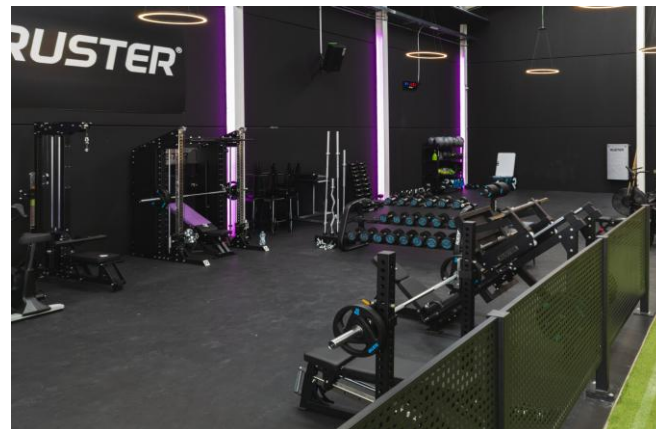

We provide innovative, robust, and high-performance solutions for gyms, sports centers, and training professionals.

By combining technology, functional design, and durability, we aim to enhance the training experience. At Ruster, we focus on quality, reliability, and a customer-oriented service aligned with the real needs of today's fitness market.
