American SOCKS

★★★

American Socks is an urban fashion brand inspired by boardsports culture, rock music, and alternative lifestyle.

We create socks, apparel, and accessories with attitude- designed to stand out.

Quality, comfort, and personality in every piece, made for a creative community that lives beyond the rules.

Joma Sport is a company that produces and markets sports equipment. It is one of the leading sports equipment brand in Spain and among the top ten worldwide. It's present in over 140 countries and has eight subsidiaries.

Sponsorship of professional teams and athletes is the cornerstone of Joma Sport's marketing strategy. In Italy, it is the technical sponsor of some of the most important national sports organizations: among the teams, federations, athletes, and events.

Joma is also the technical sponsor of 12 National Olympic Committees, which wore the brand at the Paris 2024 Olympic Games.
