In Memoriam: Dr. Fabienne Maron

Dear colleagues and friends,

It is with a heavy heart that we, the Latin American Group for Public Administration (LAGPA), join the IIAS family and our colleagues in EGPA, AGPA, and IASIA in mourning the sudden and painful loss of our dear friend and colleague, Dr. Fabienne Maron.

Fabienne was a remarkable professional who dedicated her life to advancing public administration and governance worldwide. Her tireless work as the Scientific Director of IIAS and Secretary of EGPA exemplified her commitment to excellence and her unwavering vision for a more collaborative and inclusive community.

Beyond her professional accomplishments, Fabienne was a beacon of kindness, warmth, and wisdom. She had a unique ability to inspire those around her and foster meaningful connections, uniting us in our shared mission. Her generosity of spirit and friendship left an indelible mark on all who had the honor of knowing her.

Her passing is a profound loss not only for our professional community but also for those who consider her a dear friend. As we reflect on her life and contributions, let us honor her legacy by continuing to strive for the ideals she championed with such passion and dedication.

Our thoughts and prayers are with her family, friends, and the countless colleagues whose lives she touched. May her memory live on in the work we do and the values we uphold.

With deepest sympathy,

Rubén Darío Echeverri Romero
President of the Latin American Group for Public Administration (LAGPA)
