Subject : **IASIA 2023 CONFERENCE**

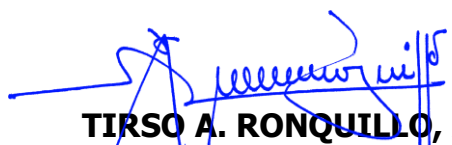

Date : June 23, 2023

This is to endorse the IASIA 2023 Conference with the theme "*Building Better Futures of Governance towards Achieving the SDGs in a VUCA World*", organized by the International Association of School and Institute of Administration (IASIA), in partnership with the University of the Philippines (UP), Philippine Society for Public Administration (PSPA), Eastern Regional Organization for Public Administration Inc. (EROPA), Association of Schools of Public Administration in the Philippines (ASPAP), and Development Academy of the Philippines-Graduate School of Public and Development Management (DAP-GSPDM). The conference will take place from July 31 to August 4, 2023, at UP Diliman, Quezon City.

The IASIA Annual Conference involves comprehensive scientific preparation, network mobilization, and practical organization. It is designed for participants including scholars, practitioners, experts, and students from all over the world, particularly those involved in Public Administration, Schools, and Institutes. The conference encourages forward-thinking among attendees and aims to explore global experiences that shed light on potential futures of government and governance in a VUCA world. Discussions will encompass the challenges faced by governments due to the impact of the VUCA world and the proactive strategies they are devising and implementing to mitigate negative VUCA effects.

Interested participants may pre-register and gather more information about the event by visiting the official website <https://www.iasia-conference2023.org/>.

Enclosed is the conference briefer, for your ready reference. Your office may contact the organizers, via e-mail at info@iasia-conference2023.org, for further inquiries.
